

Origa, ??????

2x or 3x:

</lyrics>

|

==English translation==

</lyrics>

I don't grieve about you

I won't forgive anything

I'll let you go

And if you call me, I won't answer

I'm not sorry about that, go away

Go away and forget everything

We can't get back the past love

But it's time for you, time to go

You can wait for a lifetime

I won't be able to understand you

Love can't be built up from shards

But it's easy to break

2x or 3x:

I'm not sorry about that, go away

Go away and forget everything

We can't get back the past love

But it's time for you, time to go

</lyrics>

|}

==Romanized Russian==

</lyrics>

O tebe ya ne gruschu

Nichego ya ne proshu

Hot' kuda ya tebya otpuschu

A kogda pozovyosh' ne pridu

Da, mne ne zhal' ty uezzhai

Ty uezzhai I vsyo zabud'

Prezhnei lyubvi nam ne vernut'

Nu a tebe pora v put'

Hot' vsyu zhizn' mozhesh' zhdat'

Mne tebya ne ponyat'

Iz oblomkov lyubvi ne sobrat'

No zato tak legko razbivat'

2x or 3x:

Da, mne ne zhal' ty uezzhai

Ty uezzhai I vsyo zabud'

Prezhnei lyubvi nam ne vernut'

Nu a tebe pora v put'
