Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris  
Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris

I am calling, calling now  
Spirits rise and falling

Calling, calling, in the depth of longing

Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris

Stand alone Where was life when it had a meaning  
Stand alone Nothing's real anymore and

Calling, calling now, for the place of knowing  
There's more that what can be linked  
Calling, calling now, never will I look away  
For what life has left for me

Yearning, yearning, for what's left of loving

Calling, calling now, spirits rise and falling

Calling, calling, in the depth of longing

Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris  
Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris

Angely i demony kruzhili nado mnoj  
Rassekali ternii i mlechnye puti  
Ne znaet schast'ya tol'ko tot,  
Kto ego zova ponyat' ne smog

Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris  
Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris

I am calling, calling now

Spirits rise and falling  
Soboy ostat'sya dol'she  
Calling, calling, in the depth of longing  
Soboy ostat'sya dol'she

Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris

Stand alone  
Where was life when it had a meaning  
Stand alone  
Nothing's real anymore and

Beskoneshnyj beg  
Poka zhiva, ya mogu starat'sya na letu ne upast'  
Nauchitsya mechtat' lyubit'  
Beskoneshnyj beg

Calling, calling now, for the place of knowing  
There's more that what can be linked  
Calling, calling now, never will I look away  
For what life has left for me

Yearning, yearning, for what's left of loving  
Soboy ostat'sya dol'she  
Calling, calling now, spirits rise and falling  
Soboy ostat'sya dol'she  
Calling, calling, in the depth of longing  
Soboy ostat'sya dol'she

Mana du vortes, mana du vortes  
Aeria gloris, aeria gloris  
Mana du vortes, mana du vortes

==English Translation==  
&lt;/lyrics&gt;  
Angels and demons were circling above me  
Swishing through the hardships and Milky Ways  
Only the one doesn't know happiness,  
Who couldn't understand its call

Watch in awe, watch in awe  
Heavenly glory, heavenly glory  
Watch in awe, watch in awe  
Heavenly glory, heavenly glory

I am calling, calling now  
Spirits rise and falling  
To stay with you longer  
Calling, calling, in the depth of longing  
To stay with you longer

Watch in awe, watch in awe  
Heavenly glory, heavenly glory

Stand alone  
Where was life when it had a meaning  
Stand alone  
Nothing's real anymore and

Endless run  
While I'm alive, I can try not to fall while flying

To learn how to dream to love  
Endless run

Calling, calling, for the place of knowing  
There's more than what can be linked  
Calling, calling now, never will I look away  
For what life has left for me

Yearning, yearning, for what's left of loving  
To stay with you longer  
Calling, calling now, spirits rise and falling  
To stay with you longer  
Calling, calling, in the depth of longing  
To stay with you longer

Watch in awe, watch in awe  
Heavenly glory, heavenly glory  
Watch in awe, watch in awe  
Heavenly glory, heavenly glory
