

Orlando Brown, A Dream Is A Wish

A dream is a wish
(yeah yeah)
A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for you keep

Have faith in your dreams
And someday
Your rainbow will come smiling through
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

(Hey yeah, yeah yeah, Hey yeah, yeah yeah)

A dream is a wish your heart makes
When you're feeling small.
Alone in the night you whisper
Thinkin' no one can hear you at all.
You wake with the morning sunlight to find fortune that is smiling on you.
Don't let your heart be filled with sorrow
For all you know tomorrow the dream that you wish will come true.

(hey yeah, yeah yeah, hey yeah, yeah yeah)

When you can dream, then you can't stop
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart

A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for you keep

You wake with the morning sunlight, you'll find fortune that is smiling on you.
Don't let your heart be filled with sorrow
For all you know tomorrow
the dream that you wish will come true.
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true
yeah yeah
(yeah yeah)

The dream is a wish
When you can dream, then you can't stop
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart
(yeah yeah)
When you can dream, then you can't stop
(yeah yeah)
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart
When you can dream, then you can't stop
A dream is a wish you make with your heart

When you can dream, then you can't stop
A dream is a wish you make with your heart
(yeah yeah yeah yeah)
(yeah yeah)
When you can dream, then you can't stop
A dream is a wish you make with your heart
