(trans: poetry for David, Jehovah is my shepherd I shall
not want : on grass fields he'll lay me, on calm waters
he'll direct me : my soul he'll make joyful, will guide
me in justice-circles for his name : even if I'll walk in
death-shadow valley I shall not fear because you are with me,
your staff and your support they will comfort me : you
will set up for me a table against my enemies, in oil you
cover my head and filled is my glass : but kindness and
charity will seek me all my life and I shall sit in Jehovah's
house for days on :)
