

Orphaned Land, Mercy

Denying our restlessness
Frustrations tension eludes
The past was clean
Where thoughts were mild
The present day horrors alive
Slowly passing timeless horrors

Lives within all fear
The mourning in my tears
Drown all the past
We lived beneath these years
Awaiting for the call
For all life to expire

It's mercy you're asking for cheating life
By taking more it's mercy you're asking for
Take my life or give me more...

The light is dim before us
Shadows appear and fall
A barrage of savage ways
Only the darkness can filter through

Lives within all fear
The mourning in my tears
Drown all the past
We lived beneath these years
Awaiting for the call
For all life to expire

It's mercy you're asking for cheating life
By taking more it's mercy you're asking for
Take my life or give me more...
