

Os101, Settle The Score

Bruised baby bruised heart.

Bruise ya baby gonna tear you apart.

Bruise your baby till ya got no more.

Bruise your baby gonna settle the score and I.

Cold piece of my heart.

Drive it through a rock and stone and I.

Cold piece of my heart.

Drive it through a rock.

(Repeat)

Everybody's running round everybody is on the ground.

Everybody everybody is on the ground is on the ground.

Move for it shake for it can you have it please.

Get off the shit get off the shit.

Well everybody had to cut you off well I say say.

Enough to everybody everybody settle the score.

Bruised baby bruised heart.

Bruise ya baby gonna tear you apart.

Bruise your baby till ya got no more.

Bruise your baby gonna settle the score and I.

Cold piece of my heart.

Drive it through a rock.

Everybody's running round everybody is on the ground.

Move for it shake for it can you have it please.

Get off the shit get off the shit.

Well everybody had to cut you off well I say say.

Enough to everybody everybody settle the score.

Settle the score settle the score.
