

Oscar Brand, For Hayes And Wheeler Too

For Hayes and Wheeler too,
For Hayes and Wheeler too,
We'll cast our vote for the Boys in Blue,
And Hayes and Wheeler too.

Oh, comrades dear and did you hear
The news that's going round?
They say the "Rebs" might rule again
On free Columbia's ground.
Shall Rebel Gray be put in charge
To rule the Boys in Blue?
No, never for the cry goes up,
"For Hayes, and Wheeler, too!"

For Hayes and Wheeler too,
For Hayes and Wheeler too,
We'll cast our vote for the Boys in Blue,
And Hayes and Wheeler too.

We staked our lives and fortunes
For our country and its laws
We fought the fight for Liberty
And saved the Union cause
No Tilden, Tweed or Morrissy
For the noble Boys in Blue;
For every mother's son cries out
For Hayes and Wheeler too.

For Hayes and Wheeler too,
For Hayes and Wheeler too,
We'll cast our vote for the Boys in Blue,
And Hayes and Wheeler too.

For Hayes and Wheeler too,
For Hayes and Wheeler too,
We'll cast our vote for the Boys in Blue,
And Hayes and Wheeler too.
