

# Osmewm, Love Me Hate Me

I don't care what people say  
I don't care what they obey  
I don't care what they will do  
They don't get my eyes of you  
Yeah!  
They don't get my eyes of you  
Yeah!

Love me, hate me, steal me, take me over  
When the people stare, we left them all alone  
So won't you take me, make me feel you baby  
I can show you ways to be just on your own

Evil person  
Selfish lover  
Foolish creeper  
Like no other  
Call you crazy  
Call you freak  
No one likes you  
But me
