

Osmewm, Love Me Hate Me

I don't care what people say
I don't care what they obey
I don't care what they will do
They don't get my eyes of you
Yeah!
They don't get my eyes of you
Yeah!

Love me, hate me, steal me, take me over
When the people stare, we left them all alone
So won't you take me, make me feel you baby
I can show you ways to be just on your own

Evil person
Selfish lover
Foolish creeper
Like no other
Call you crazy
Call you freak
No one likes you
But me
