

Oswaldo Montenegro, Lady Jane

My sweet lady Jane
When I see you again
Your servant am I
And will humbly remain
Just be displeased my love
On bended knees my love
I pledge myself to lady Jane

My dear lady Jane
I've done what I can
I must take my leave
For promised I am
The play is run my love
Your time has come my love
I pledge my soul to lady Jane

On my sweet Marie
I wait at your cue
The sands have run out
For your lady an me
When love is high my love
Her station's right my love
Life is secure with lady Jane
