

# Otis Redding, Are You Lonely For Me Baby

Oh, it's the last train, to Jacksonville,  
And I'm gonna get on it baby, you know I will  
Will you try, just come on and try  
To forget all the pain I brought you  
Come on and cry, go ahead and just cry  
I know I'm the one who taught you

To be lonely baby, I'm lonely and blue  
I'm lonely baby, and I'm lonely for you  
Are you lonely for me baby, yes I am  
Are you lonely for me baby

It's your last buck in Jacksonville  
Are you my sweet baby, are you still?  
I'll tell my friend, this is the end  
And you never again deserve me

I can hear them laugh, I can hear them laugh  
You say I'd was gonna hurt you  
But he's lyin' baby, I'm sorry baby  
I'm sorry and blue

He, I'm lonely baby  
And I'm lonely for you

Are you lonely for me baby  
Yes I am  
Are you lonely for me baby  
I'm comin' home  
Oh, yes I am

Oh, it's a long ride to Jacksonville  
No one would ever know, the way I feel  
Will you be there, will you be there  
When I get on the train  
You see you gotta be there, you gotta be there  
I just got to see you again girl

Because I'm lonely baby  
I'm lonely and blue  
I'm lonely baby  
And I'm lonely for you

Are you lonely for me baby  
Yes I am  
Are you lonely for me baby  
Are you lonely for me baby  
I'm comin' home, I'm comin' home  
Are you lonely for me baby

Yes I am  
Yes I am
