

# Otis Redding, Ole Man Trouble

Ole man trouble, leave me lonely  
Go find you someone else to pick on  
I live my live now you see  
Ole man trouble  
Please stay away from me, oh now  
Ooh oh yeah,yeah

Oh, I look like I'm down in my luck  
Please send faith to just help pick me up  
I've lived this way so many years, now  
Ole man trouble  
Please wash away all my fears, oh now  
Good God Almighty, help me

Sometimes, sometime I get a little worried  
Ole man trouble, please please  
Stay away from me  
Ole man trouble, Ole Man Trouble  
Stay away from me, satay away  
You're nothing but trouble  
Just stay away, stay away  
Stay away, just please  
Ole man trouble
