

# Ottawan, Crazy Music

Crazy music  
crazy music for crazy people  
crazy people.  
Crazy music  
crazy music for crazy people  
crazy people.

It's time you start to dance

I'll get into a dance and my heart's on fire.  
My heart's on fire.

I'm burning like a flame

You're driving me insane  
I'm crazy about you  
Baby.

Crazy music  
crazy music for crazy people  
crazy people. . . .

So Baby  
be aware  
there's dancing in the air

Take care of you  
take care of you.

Don't let it get too hot

For there's no way to stop the passion inside my heart.
