

Our Lady Peace, It's Not Enough

There's nothing you can say
Nothing you can do
There's nothing in between
You know the truth
Nothing left to face
There's nothing left to lose
Nothing takes your place
When they say
You're not that strong
You're not that weak
It's not your fault
And when you climb
Up to your hill
Up to your place
I hope you're well
There's nothing left to prove
There's nothing I won't do
There's nothing like the pain
I feel for you
Nothing left to hide
Nothing left to fear
I am always here
When they say
You're not that strong
You're not that weak
It's not your fault
And when you climb
Up to your hill
Up to your place
I hope you're well
What you want
What you lost
What you had
What is gone is over
What you got
What you love
What you need
What you have is real
It's not enough
It's not enough
It's not enough
It's not enough
I'm sorry
It's not enough
It's not enough
It's not enough
It's not enough
When they say
You're not that strong
You're not that weak
It's not your fault
And when you climb
Up to your hill
Up to your place
I hope you're well
It's not enough
No
It's not enough
It's not enough...
