

Our Lady Peace, Julia (Piano Version)

Can you see her standing there
Well she's trying to find just anywhere
The flowers in her hands but she doesn't know why, why
Offered is advice to you and all you do was fake it
And she's only yours tonight
Oh she never cries,
I know there's hurt inside, this Julia
Drowning in her own visions,
Well she's begging the past to stay behind
A black cat in the night,
Black cat in that sky
Offered is advice to you, you left but I don't blame you
And she's only yours tonight
Oh she never cries
But I know there's hurt inside, this Julia
Digging up the past
To cross that line
To bury it, one last time
Offered is advice to you but all you did was fake it
I know that pain inside this truth, but you just have to face it
And she's only yours tonight
Oh she never cries, mother,
I know there's hurt inside, this Julia
Yeah, this Julia
