

Our Lady Peace, Let You Down

Hey what do you see
It's not me, it's not me
And why, why won't you share
It's not fair, it's not fair
There's a bicycle show
Where the bicycle's float
And I, I wouldn't of cared,

I wouldn't have cared,

I wouldn't of cared

And I won't be the one who bothers you
And I won't be the one who lets you down

Now, now that you're there
You're not scared, not scared
But why, why would you care
It's your dream, not theirs
There's a cigarette thief
Stealing cigarette disease
And I wish I was there

I wish I was there

I wish I was there

And I won't be the one who bothers you
And I won't be the one who lets you down

And I won't be the one who bothers you
And I won't be the one who lets you down

Who bothers you

And I won't be the one who bothers you
And I won't be the one who lets you down

And I won't be the one who bothers you
And I won't be the one who lets you down

Who bothers you

Who bothers you

Who bothers you

Bothers you
