

# Our Lady Peace, Whatever (Chris Benoit's Theme)

There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
Just climbing up slowly  
I'm the one and only

The tease, the way you lie  
The stumble in your mind  
The fear, the hope inside  
They hit here  
Hit here

But whatever you need  
Ever you got  
Ever you want  
I'll take back again

Whatever you need  
'Ever you got  
'Ever you want  
I'll take back again

There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
Just climbing up slowly  
I'm the one and only

The tease, the way you lie  
The stumble in your mind  
The fear, the hope inside  
They hit here  
Hit here

But whatever you need

Ever you got  
Ever you want  
I'll take back again

Whatever you need  
Ever you got  
Ever you want  
I'll take back again  
Though whatever you need  
Ever you got...

But whatever you need  
Ever you got  
Ever you want  
I'll take back again

Whatever you need  
'Ever you got  
'Ever you want  
I'll take back again

Whatever you need  
'Ever you got  
'Ever you want  
I'll take back again

But whatever you need  
'Ever you got...

Whatever you-ohh-ohh  
Whatever you  
Whatever you  
whatever you
