

Ours, Femme Fatale

Here she comes, you better watch your step
She's going to break your heart in two, it's true
It's not hard to realize
Just look into her false colored eyes
She builds you up to just put you down, down

Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks

Little boy, she's from the street
Before you start, you're already beat
She's gonna play you for a fool, yes it's true

Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks
