

Ours, God Only Wants You

Can you see?

God only wants you to

God only wants you to be

God only wants you

Can you feel?

God only wants you to

God only wants you to dream

God only wants you

Forever, Forever, Forever, Forever, Forever, Forever

came and it seemed so hopeless

Can't you see

I only wanted you?

I only wanted you for me

I only want me

Could it be

If I was the only?

If I was the only for you

If I wasn't all in me

Forever, Forever, Forever, Forever, Forever, Forever

came and it seemed so hopeless

Can you see?

God only wants you to

God only wants you to be

God only wants you
