

Outerspace, Grown Ass Man

what i got to do to satisfy anybody
if my chain hang down to my dick
then let me wear it proud
you would love to see me nailed to the cross
rather then see me blow b label at ya boss
fuck you till's that download my shit
and fuck you tills that wont let me live
an open mic in the phsync wont get me cribs
and a freestyle battle wont get me shit.
yall pussys, im a soldier so we dont mix
you all mushy on the inside im stone cold brick
yall want pleasure so ill give you pain
give you beach rhymes unlike the other shit is lame
ima blow right past by you when im switchin lanes
on the highway to heaven hydroplane through rain
tell my mom and pop your baby boy done changed
into a grown ass man its the same ole same
i would never cut a throat to achieve my goals
but if you try to slow me down then you must go
the moneys more important so you must know
when i was five years old i realized there was a road

i aint got to breakdance i aint got to freestyle just to prove im hip hop, ima grown ass man
i aint got to write graph, im alowed to like cash, who you think your talking to, ima grown ass man
