

Outlandish, Look into my eyes.

Look into my eyes
Tell me what ya see
U don't see a damn thing
Cuz u can't relate to me
U blinded by our differences
My life makes no sense to u
I'm the persecuted one
U the red, white and blue
Each day u wake in tranquility
No fears to cross your eyes
Each day I wake in gratitude
Thankin' God He let me rise
Ya worry 'bout your education
And the bills u have to pay
I worry 'bout my vulnerable life
And if I'll survive another day
Ya biggest fear is getting a ticket
As ya cruise your Cadillac
My fear is that the tank that's just left
Will turn around and come back
Yet do u know the truth of where ya money goes
Do u let the media deceive your mind
Is this a truth that nobody knows
Has our world gone all blind
Yet do u know the truth of where ya money goes
Do u let the media deceive your mind
Is this a truth that nobody knows
Some one tell me
Oh let's not cry tonight
I promise you one day it's through
Ohohoh my brothers
Ohohoh my sisters
Oh shine a light for every soul
That ain't with us no more
Ohohoh my brothers
Ohohoh my sisters
See I've known terror for quite some times
57 years so cruel
Terror breathes the air I breathe
It's the check point on my way to school
Terror is the robbery of my land
And the torture of my mother
The imprisonment of my innocent father
The bullet in my baby brother
The bulldozers and the tanks
The gasses and the guns
The bombs that fall outside my door
All due to your funds
You blame me for defending myself
Against the ways of my enemies
I'm terrorized in my own land
And I'm the terrorist
Yet do u know the truth of where ya money goes
Do u let the media deceive your mind
Is this a truth that nobody knows
Has our world gone all blind
Yet do u know the truth of where ya money goes
Do u let the media deceive your mind
Is this a truth that nobody knows
Some one tell me
Oh let's not cry tonight
I promise you one day it's through
Ohohoh my brothers
Ohohoh my sisters

Oh shine a light for every soul
That ain't with us no more
Ohohoh my brothers
Ohohoh my sisters
American do ya realize
That the taxes that u pay
Feed the forces that traumatize
My every living day
So if I won't be here tomorrow
It's written in my fate
May the future bring a brighter day
The end of our wait
Oh let's not cry tonight
I promise you one day it's through
Ohohoh my brothers
Ohohoh my sisters
Oh shine a light for every soul
That ain't with us no more
Ohohoh my brothers
Ohohoh my sisters
