

# Outlandish, Sakeena

This ain't a love song  
This is a live song

Woman, u my equal, my wife  
We be tight like  
2 perfectly matching calligraphy lines

We don't wanna build our house of earth, water and stone  
But of wisdom, pure intentions, conversation  
Compassionate action, with purity of heart  
We might get somewhere, become light  
Fast and burn like a candle, right  
Intertwine, u give me peace of mind  
I cloak u and u cloak me  
Responsible I feel with honesty  
Between us God has put affection and mercy  
Praised be He who created u  
Cuz all I see in u is beautiful

Woman, u my equal, my wife  
We be tight like  
2 perfectly matching calligraphy lines  
What drew us together  
Doesn't conform to the laws of nature  
It is written  
There is only One opener for the lock of these things

Amor mo  
Te adora como a la ms bella estrella fugaz en el cielo  
Y cuando me siento s&#oacute;lo, s que t me entiendes  
S que me comprendes  
Sueo apoyarme en tu sonrisa  
Toma mi mano y ven de prisa  
Siempre me imagino Viejo y arrugado  
Mis hijos ya crecidos mis nietos a mi lado  
Y la luz de luna a revelado  
Que tu palpar es por mi, que siempre a sido asi  
He practicado que decir muchas veces  
Y cuando Dios lo quiera estaremos frente a frente  
Ser el momento de embrujarte  
Ojal que en tus ojos me retrates  
Que aceptes mi pasado, que mis locuras yo no pague  
Yo te prometeré mi vida  
Aunque la muerte nos separe

[Translation:]

My dearest  
I adore you like the most beautiful shooting star in the sky  
And when I feel alone I know that you understand me  
I know that you comprehend me  
I'm looking for comfort in your smile  
Let's hurry, follow me  
'Cuz I've always seen myself old and aged  
My children grown up, grandchildren by my side  
And the moonlight has revealed  
That your heart beats for me  
And it has always been like that  
I've practised what to say many times  
When God is willing  
We'll stand face to face  
That will be the moment to put a spell on you  
If only I could slide into your eyes  
If only you would see through the past  
If only I don't have to pay for my peculiarities

I'll dedicate my life to you  
Even after death will separate us

Woman, u my equal, my wife  
We be tight like  
2 perfectly matching calligraphy lines  
What drew us together  
Doesn't conform to the laws of nature  
It is written  
There is only One opener for the lock of these things

Most definitely in our luv are signs of knowledge  
Every dime I spend on u  
Is worth more than what I spend on the poor  
See patience is the best key to happiness  
Continuous, satisfaction, pearls wanna be like u  
Intertwine, u are my Sakeena  
U protect me and I protect u  
Scientifically we be deeper than Al-kindī  
Between us God has put affection and mercy  
This ain't a luv song  
This is a life song

We going 6 years strong  
With no sign of REGRET  
With each year we gain in force with ups and downs of course  
Yeah my wife is my cousin  
And thank God, Faizan my son was born without complications  
Hina my love to you is unconditional  
Not limited by typical Bollywood scenarios  
Or by statistics when problems occur we leave  
'Cause I know t u? I'll stay till I no longer will breathe  
Or if I'm crippled, blinded or anything else  
I know I can rely on u helping my every step  
Love is not just limited to butterflies and sex  
It's to recognise and respect each others intellects  
Lots of regrets many things we shouldn't have said and done  
But that's just part of our journey and it's just begun  
Define beauty 'cause one day looks will fade  
But a beautiful mind still be young at an old age  
And I know it's hard me being away for so long  
But I respect u so much for being so strong  
I remember U being pregnant going to school  
Cooking food taking care of my parents and the whole house  
All in one something a man could never do no doubt  
So I thank my mother for the day she brought us together  
And I pray for our reunion in the afterlife forever

Woman, u my equal, my wife  
We be tight like  
2 perfectly matching calligraphy lines  
What drew us together  
Doesn't conform to the laws of nature  
It is written  
There is only One opener for the lock of these things
