

# Oval Opus, Contagious

Boston, commonly known as a place,  
Where lovers come to spend their day.  
Walking with a hot cup in my hand,  
Wishing I could meet you,  
So this romance can begin.

Maybe someday we can share this coffee.  
When I close my eyes I see her,  
Picture in my head.

See her laugh's contagious,  
Her smile never fades.  
A lifetime I will wait around.  
She knows me better,  
Than I know myself.  
A lifetime I will wait around.

Is there anyway for me to hurry this up?  
My heart is racing like a marathon,  
And I've got my second wind.

Maybe someday we can share this coffee in my hand,  
Cause when I close my eyes,  
I see her picture in my head.

See her laugh's contagious,  
Her smile never fades.  
A lifetime I will wait around.  
She knows me better,  
Than I know myself.  
A lifetime I will wait around.

You see her laugh's contagious,  
Her smile never fades.  
A lifetime I will wait around.  
You see, she knows me better,  
Than I know myself.  
A lifetime I will wait around.
