

Oval Opus, Hole

I ask you why you do what you do
You say it's to fill the emptiness, that's inside of you
But is there any other way
Or have you turned your back so far
that the light has gone astray... Well don't you know that

In all of us, there's a hole the size of Jesus
You can try and fill it up,
but the world can never provide enough
I hope someday you'll find, that in this hole of yours and mine
The perfect fit is Jesus

You know it took a long long time
To deny myself, finally see the light
But now I found my place, Yeah I feel the grace of God
And he has love for me and you, Ooh if you only know... that...

In all of us, there's a hole the size of Jesus
You can try and fill it up,
but the world can never provide enough
I hope someday you'll find, that in this hole of yours and mine
The perfect fit is Jesus
