Oval Opus, There For Me

What would happen if I came home?
What would you do if I showed up at your door?
It's been a long time since I've seen this place.
Everything looks just like it did before.

You were always there for me
And yet somehow I failed to see.
I'm sorry that I hurt you so much
I'm sorry that I hurt you.

I know that there's no looking back.
I cannot erase my past.
A thousand miles in between.
But when I close my eyes you're standing in my dream.

So let me sleep now for five more minutes.
Seems my whole world is spinning round and round
I know that...

You were always there for me
And yet somehow I failed to see.
I'm sorry that I hurt you so much
I'm sorry that I hurt you.

Well the distance is unreal.
They say we both need time to heal
To my grave I will carry this regret.
Losing you was a foolish thing to do.

I'm sorry that I hurt you so much
I'm sorry that I hurt you.

You were always there for me
And yet somehow I failed to see.
I'm sorry that I hurt you so much
I'm sorry that I hurt you.
