

# Over The Rhine, Amelia's Last

Amelia's Last

words and music: Detweiler

recording: The Darkest Night of the Year

these are the (whose are the?)  
these are the raw materials  
you and me  
these are the (whose are the?)  
these are the angels' inferiors  
who  
someone breathed this breath in us  
"oh amelia, we've so far to go  
oh amelia"

these are the (whose are the?)  
these are the ordinary clothes  
you and me  
around extraordinary flesh and pulsing madness deep and close  
who  
someone breathed this breath in us  
"oh amelia maybe we're not that far  
oh amelia is this who we really are  
my amelia"
