

Over The Rhine, Goodbye (This Is Not Goodbye)

Goodbye (This Is Not Goodbye)

words and music: Linford Detweiler and Karin Bergquist

recording: Films For Radio

help me tell the truth you see
that's all i'm trying to do is
tell the truth
i'm not that shy
this is not goodbye
and later on i won't know how
i don't know who else to be
more and more i'm secretly just me
open your eyes

help me tell the truth you see
that's all i'm trying to do is
tell the truth
it's just in my head
all i've left unsaid
and later on it won't come out

i have seen the final curtain fall
If i have to i'll surrender all

i'm always coming around too late
too late

it's not too late
