

Over The Rhine, Suitcase

Suitcase

words and music: Bergquist/Detweiler

recording: OHIO

Whatcha doin' with a suitcase
Tryin' to hit the ground with both feet runnin'
Aren't you trippin' on your shoelace

You're stealin' away on a sunny day
Well aren't you ashamed at all
Funny but I feel like I'm fallin'
I wanna beg you to stay
You're stealin' away on a sunny day

Why'd you love me in the first place
You were always closer than a brother
I can barely look at your face

I've said my I've said my
I've said my piece
I'm on my
I'm on my
Down on my knees

Whatcha doin' with a suitcase
