Forget yourself
Scream out my name
My head is so disturbed
And spinning

Shake & poses
Hidden faces
Flash & roses
Screamin' inside out

Pissed & loaded
The running process
Flash & roses
Lyin' inside out

Sunny style
Falls out on me
My head is so disturbed
Out of sight

Fashion poses
Sexy faces
Flash & roses
Wavin' inside out

Pissed & loaded
The rotten process
Flash & roses
Lyin' inside out

... But I'm back to senses
And flash & poses
Make desperate cases
Screamin' inside out

Lust & proses
The running progress
Make desperate cases
Cryin' inside out
