

Overkill, What's Your Problem

When is it gonna end?!

I'm not a bad man
Just excel in anger and hatred!!!
Do the best, with what I have.
I'm a constitution, yeah...
Everyday I'm tested!
With the worst of what you have...

Here's to your problem.
Here, Mr. Know-It-All...
Here's to the solvin' of a problem in yer head.
Here's to your problem,
Here Mr. Can't-Be-Wrong...
Here's to the solvin' of the problems in yer head.

When is it gonna end?!

You're not a bad man (bad man),
You excel in cold frustration.
You know I bleed, for what it's worth.
Think I hear the distance comin',
Down fast on your face is gunnin',
Bloodspots in the eye give you away.

When is it gonna end?

Do it if I can,
You expect to much and I can't...!
Be bothered with! what you do.
Hey! What's your problem?

When is it gonna end?!
