

# Owl City, On the Wing

Breathe, and I'll carry you  
Away into the velvet sky  
And we'll stir the stars around  
And watch them fall away  
Into the Hudson Bay  
And plummet out of sight and sound

The open summer breeze will  
Sweep you through the hills  
Where I live in the Alpine Heights  
Below the Northern Lights  
I spend my coldest nights  
Alone, awake, and thinking of  
The weekend we were in love

Home among these mountaintops  
Can be so awfully dull  
A thousand miles from the tide  
But photos on the walls  
Of New York shopping malls  
Distract me so I stay inside

I wish the rockets stayed  
Over the Promenade  
'Cause I would make a hook and eye  
And fish them from the sky  
My darling, she and I  
We're hanging on so take us high  
To sing the world goodbye

I am floating away,  
Lost in a silent ballet  
I'm dreaming you're out in the blue  
And I am right beside you  
Awake to take in the view  
Late nights and early parades  
Still photos and noisy arcades  
My darling we're both on the wing  
Look down and keep on singing  
And we can go anywhere

Are you there?  
(Are you there, are you there)  
(Are you there, are you there)  
Are you there?  
Or are you just a decoy dream in my head?  
Am I home or am I simply tumbling all alone?

I am floating away (floating away)  
Lost in a silent ballet (silent ballet)  
I'm dreaming you're out in the blue  
And I am right beside you  
Awake to take in the view  
Late nights and early parades (and early parades)  
Still photos and noisy arcades. (noisy arcades)  
My darling we're both on the wing  
Look down and keep on singing  
And we can go anywhere  
(Anywhere)

(Are you there, are you there)  
(Are you there, are you there)  
Are you there?
