

# Owl City, Rainbow Veins

High rise, veins of the avenue  
Bright eyes and subtle variations of blue  
Everywhere is balanced there like a rainbow above you  
Street lights glisten on the boulevard  
And cold nights make staying alert so hard  
For heaven's sake, keep me awake so I won't be caught off guard  
Clearly I am a passerby but I'll find a place to stay  
Dear pacific day, won't you take me away?

Small town hearts of the New Year  
Brought down by gravity, crystal clear  
City fog and brave dialog converge on the frontier  
Make haste, I feel your heartbeat  
With new taste for speed, out on the street  
Find a road to a humble abode where both of our routes meet  
The silver sound is all around and the colors fall like snow  
The feeling of letting go, I guess we'll never know

Cheer up and dry your damp eyes and tell me when it rains  
And I'll blend up that rainbow above you and shoot it through your veins  
'Cause your heart has a lack of color and we should've known  
That we'd grow up sooner or later 'cause we wasted all our free time alone

Your nerves gather with the altitude  
Exhale the stress so you don't come unglued  
Somewhere there is a happy affair, a ghost of a good mood  
Wide eyed, panic on the getaway  
The high tide could take me so far away  
VCR's and motorcars unite on the Seventh Day  
A popular gauge will measure the rage of the new Post-Modern Age  
'Cause somewhere along the line all the decades align

We were the crashing whitecaps  
(On the ocean) On the ocean  
What a lovely seaside holiday away  
A palm tree in Christmas lights  
(My emotion) My emotion  
Struck a sparkling tone like a xylophone  
As we spent the day alone

Cheer up and dry your damp eyes and tell me when it rains  
And I'll blend up that rainbow above you and shoot it through your veins  
'Cause your heart has a lack of color and we should've known  
That we'd grow up sooner or later 'cause we wasted all our free time alone
