

# Ozark Henry, Grace (long version)

whatever's holding water  
you are here to see me  
to see me not to stay I surface for a moment and listen to the teardrops  
things you have to say

I don't want all this  
did I fall from grace?  
I don't need all this  
I'm gonna walk again  
I'm gonna walk again

whatever's holding water  
it isn't what you came for  
what do you want done probing my intentions bringing pen and paper  
shooting at the sun

I don't want all this  
did I fall from grace? No  
I don't need all this  
I'm gonna walk again  
yeah  
I'm gonna walk again

I don't want all this  
did I fall from grace? No  
I don't need all this  
I'm gonna walk again  
yeah  
I'm gonna walk again
