

Ozark Henry, junkie show

adapt to this, adapt to that
good idea for an epitaph
what else is new
she's turning me on
i guess
next time we'll have a drink
don't be late and bring some friends
what else is new
she's turning me on
i guess
she's touring with her junkie show
it's free
i don't mind growing grey
if it could happen in a day
what else is new
she's turning me on
i guess
she's touring with her junkie show
it's free
it's free
