Ozark Henry, Sweet Instigator

Anyway the water turns You're always on my mind Sweet instigator Anyway the water turns You're always on my mind Dear insolation (You) make me beautiful You give inspiration (You) make me beautiful Know that you can never let me down We're to sail and see the world right now Know that you can never let me down We're to sail and see the world right now Anyway the water turns You're always on my mind Sweet instigator Anyway the water turns You're always on my mind Sweet insolation (You) make me beautiful You give inspiration (You) make me beautiful Sweet instigator Know that you can never let me down We're to sail and see the world right now Know that you can never let me down We're to sail and see the world right now 'Cause you're all I ever wished for And that's You, You, You 'Cause you're all I ever wished for And that's You, You, You (You) make me beautiful You give inspiration (You) make me beautiful Any way the water turns You're always on my mind You made all this Because you made all this Sweet insolation You make me beautiful You give inspiration You make me beautiful Sweet instigator Know that you can never let me down We're to sail and see the world right now Know that you can never let me down We're to sail and see the world right now 'Cause you're all I ever wished for And that's You, You, You 'Cause you're all I ever wished for And that's You, You, You You make me beautiful You give inspiration You make me beautiful Any way the water turns You're always on my mind You made all this Because you made all this
