

Ozark Henry, You Always Know Your Home

You're on a break and need a space
Is that the story
You see the world to go at late
Not to worry

You always know your home (2X)

We are one, madly
Whatever we do hoo hoo
This much is true
We are one, so madly
Whatever comes to you
This much is true

The ways we are that keeps me up
Wikes in white noise
Sas the door I watch the clock
And how it all (swoos) -- ?

You always know your home (2X)

We are one, madly
Whatever we do hoo hoo
This much is true
We are one, so madly
Whatever comes to you
This much is true

While it's good enough for you
It's good enough for me aswell
And whatever comes to you
I will always be a friend

We are one, madly
Whatever we do
This much is true

You always know your home (3X)
This much is true
You always know your home (3X)
This much is true
