

Ozark Mountain Daredevils, From Time To Time

(GUITAR & KEYBOARD INTRO)

sometimes I know how good it feels
to be as free as a rolling wheel
cause then you just appear to me
within the shapes of things I see
when I leave

I watched an eagle way up high
makin' circles in the sky
I watched a river passin' by
I've see it all from time to time
in your eyes

(GUITAR & KEYBOARD STUFF)

I've listened to the birds in spring
while taking walks in the late evening
and seen the clouds writing in the wind
in you it all begins
and ends

(KEYBOARD STUFF)
