

Ozark Mountain Daredevils, What's Happened Along

(GUITAR INTRO)

I've been sittin' today, looking out over my land
a home of my own, I'm so lucky for all that I have
if ev'ry one I knew, could feel the way I do...

I'm so amazed at what's happened along in my life
I don't deserve all the right turns along the way
if ev'ry one could see, the smile you've put on me...

I'm so amazed you just happened along in my life
I really like the way it feels with you
and I really think our love will slide on through

(GUITAR SOLO)

(do-do-do-doo...)

(do-do-ee-doo...)

(do-do-do-doo...)

(do-do-ee-doo...)

(do-do-do-doo...)

(do-do-do-doo...)

(do-do-do-ee-doo...)

(doo-e-dooo-e-doo...)

(do-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o-e-o...)

I've been makin' some friends, and oh what good friends they are
like brothers and sisters, they've made my life richer by far
as time slowly rolls on, we'll keep on singin' songs

I'm so amazed at what's happened along in my life
