## Ozzy Osbourne, Degradation Rules (feat. Tony Id

Twisted little fantasy Gambling with tragedy and doom, and doom Addicted to debauchery Staring at the ceiling in his room, in his room

Asphyxiation Masturbation Degradation rules

Pulling on his memories He's ready for the pearl to hit the sky, the sky Used up all his energy He wakes up with a twinkle in his eye, in his eye

Asphyxiation
Masturbation

Join the other fools

Sticky little magazines
He locks the door and goes into his mind, in his mind
Stuck inside a dirty dream
The hand that feeds you also turns you blind, turns you blind
