

Ozzy Osbourne, Living With The Enemy

I gave you all that you wanted
and still you come back for more
You say that you're brokenhearted
but then you walk out the door
Maybe it is time for us to say goodbye
Where are the tears you never cried?
Hey baby what you got on your mind
are you looking for some sympathy?
I can tell you if it's a truth or a lie
'Cos it's just like living,
living with the enemy
You got me going in circles,
I'm slowly losing my head
What did I do to deserve this,
you make me wish I was dead
Tell me I'm wrong and I'll be on my way
See you around another day
Hey baby what you doin' tonite?
Are you giving me the perfect dream
I'm so tired and I don't wanna fight
'Cos it's just like living,
living with the enemy, enemy
Living with the enemy, living with the enemy, enemy
Living with the enemy, enemy
Living with the enemy, living with the enemy, enemy
