

P.O.D., Christmas In Cali

Yeah, P.O.D in the house one time
on this Christmas diddy
A little remake right here
You know how we do
Special shouts one love
Merry Christmas
It's how we do, one time here we go

It was December 24th, Mainland Ave in the dark
When I seen a man chilling with his dog in the park
Approached very slowly with my heart full of fear
Looked at his dog, oh my God, an ill reindeer
But then I was illin cause this man had a beard
A bag full of goodies, 12 o'clock had neared
So I turned my head a second and the man had gone
But he left his driver's wallet smack dead on the lawn
I picket the wallet up then I took a pause
Took out the license and it cold said "Santa Claus"
A million dollars in it, cold hundreds of G's
Enough to buy a boat and matching car with ease
But I'd never steal from Santa, cause that ain't right
So I'm going home to mail it back to him that night
But when I got home I bugged, cause under the tree
Was a letter from Santa and the dough was for me

It's Christmas time in Cali-forn-I-ay
Noni's in the kitchen, what more can I say?
Rice and stuffing, macaroni and cheese
And Santa puts gifts under Christmas trees
Decorate the house with lights at night
Snow's on the ground, snow white so bright
In the fireplace is the yule log
Beneath the mistle toe as we drink eggnog
We did this rhyme that you heard from Darryl
But each and every year we bust Christmas carols

Rhymes so loud and proud you hear it
It's Christmas time and we got the spirit
Jack Frost chillin, the word is out
And that's what Christmas is all about
The time is now, the place is here
And the whole wide world is filled with cheer

My name is Son-dread with the mic in my hand
And I'm chilling and coolin just like a snowman
So open your eyes, lend us an ear
We want to say Merry Christmas and Happy New Year!
