

# P.O.D., I And Identify

Love, Suffer, Patient, Kind  
And never bow - jealousy  
Earth, Selfish, No angry  
No memory won't, separate my wicked ways

Reach for the sky, Don't let it get away  
I and identify - This is what love is.

Reach for the sky, Don't let it get away  
I and identify - This is what love is

Gentle, Purified, Stay true, Protection  
Always trusting, Continue hoping,  
Conquer, never fail

Reach for the sky, Don't let it get away  
I and identify - This is what love is.

Reach for the sky, Don't let it get away  
I and identify - This is what love is  
This is what love is

This is what love is!  
Reach for the sky, Don't let it get away  
I and identify - This is what love is.

Reach for the sky, Don't let it get away  
I and identify - This is what love is.

Reach for the sky, Don't let it get away  
I and identify - This is what love is.  
This is what love is.
