

P.O.D., Outkast

[chorus:]

I'm an outkast

But don't count me out

Underground dwellaz, roaming beneath the cellars

Failed us with this system, ain't living how they tell us

Hideaway place, it's safe, they raise a nation of hate

Erase a man for his faith

They feed us lies, dress up my King in false disguise

Behind those eyes, soul of a savior I recognize

No compromise, while the whole world becomes corrupt

Tonight we break the surface for lives, We coming up

Brother take my hand

Lets separate ourselves

Leave behind this place

Don't ever look back

Disgraced man, survivors of the wasteland,

Looking for a home of his own

No place to run, now place to hide

It's time for you to stand on your own

Militia, coalition, not of this world

Resistance, we the alliance

We freedom fighters, its honor we defend

We follow truth and never your trends

Brother take my hand

Lets separate ourselves

Leave behind this place

Don't ever look back

[chorus]

Brace yourself like a man
