

P.O.D., Rock The Party (Off The Hook)

We came here to rock this jam
spread his love is the master plan
let this light ignite like a star
everybody in the party knows who we are
you gotta get down, dance around, floss your style
POD, guarantee, make it worth your while
bad vibes, leave'em at the door
soulcheck'n, housewreck'n, keep'em begg'n for more

We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn

hey DJ won't ya play that song
and we'll keep dancing till the break of dawn
keep it live like the way it should
ain't nobody gett'n crazy so you know it's all good
b-boys, fly-girls one time
friend of yours is a friend of mine
don't bother stopping till this jam is through
if you been here before then you know how we do

We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn

we gotz to play what we feel
then I can say I am real
don't wanna be caught mess'n around
cuz a party ain't a party when it gets shut down
off the hook, with the cutz, that's right
feel'n loose cuz it sounds so tight
rock da spot till the very end
make sure that you're there when we do it again

We came to rock the party all night long
So party people won't ya sing that song
We came to rock the party all night long
And keep it live till the break of dawn
