

Page Tommy, Whenever You Close Your Eyes

I, need to know, that I am in your world
That I am in your world baby
And I, gotta know, that I am in your heart
No matter where you are wherever you go
Oh baby, I hear you saying that you love me
I feel you touch me in the night
But that don't mean that I mean something, in your life, baby

Whenever you close your eyes
I want it to be my face that you see
When you go to sleep at night
Whenever you dream, I wanna know that your dreaming of me

So, hard to know
Wish I could read your mind
Wish I could read your mind and see in
Your heart, am I there
The way your there with me, your everywhere with me wherever I go, oh baby

Before I give my world completely
And lay my heart down on the line
I need to know it's me your needing, in your life, baby

Whenever you close your eyes
I want it to be my face that you see
When you go to sleep at night
Whenever you dream, I wanna know that your dreaming of me

Don't you know I'm so in love with you baby
But I need to know how deep your love is for me

Whenever you close your eyes
I want it to be my face that you see
When you go to sleep at night
Whenever you dream, I wanna know that your dreaming of me
