

Pain, Bitch

Bitch

I'm the king in this dirty game
Be my puppy and lick my erection
Taste my juice while I pull the chain
It feels so sweet, another victim to my collection

You say you've been so naughty
Bu I will teach you to behave
It's my rules and my game

You say you want me
But I'm gonna let you wait
I will make you sweat
And I'll make you beg
Beg for me...

I want your sex and not your love - Bitch
And another one bites the dust - Bitch
I want your sex and not your love - Bitch
And another one bites the dust - Bitch

You look so good when you're all tied up
I might let you go down when I'm done
Why this sad face?
You don't have to be ashamed
Let's seal it with a kiss and end this game

I'm not looking for love
I just need another slave

I want your sex and not your love - Bitch
And another one bites the dust - Bitch
I want your sex and not your love - Bitch
And another one bites the dust - Bitch
