

# Pale Divine, Flow My Tears

Empty heart that overflows  
I cry words, emotion, picture shows  
They document the years  
And free my flowing tears  
Flow my tears  
It's such a waste of endless time  
I cry words, a speech, in pantomime  
Won't express my fears  
Flow my tears  
Flow my tears  
Flow my tears  
Oh yeah  
Pretty mouth  
Small your mind  
Your tension kitchen cooks you overtime  
(Overtime)  
Won't you stop, catch my act  
Won't you sign this knifeless, bloodless pact  
And I'll exceed my peers  
Oh they flow my tears, my tears  
Flow my tears  
Flow my tears, yeah  
Pretty mouth  
And small your mind  
Your tension kitchen cooks you overtime, yeah  
All my heroes want you to take the fall  
I guess you're not so f---ing tough after all  
(After all)  
Flow my tears  
Flow my tears  
Flow my tears  
Oh, my tears, hey hey hey  
Oh, my tears, my tears, yeah  
Flow my tears, my tears  
Flow my tears, flow my tears  
Flow my tears
