

# Pale Saints, One Blue Hill

time to swim and  
time to see  
minds (mimes mines) the yellow ring  
upon the sea  
find me some more time and i'll  
sing for my tea

do you still know him?  
do you still know?

time's a whim and  
time is free  
find a yellow ring  
upon a sea  
mindful of this time it's  
just a breeze

do you still know him?  
do you still know?
