

Pale Saints, One Blue Hill

time to swim and
time to see
minds (mimes mines) the yellow ring
upon the sea
find me some more time and i'll
sing for my tea

do you still know him?
do you still know?

time's a whim and
time is free
find a yellow ring
upon a sea
mindful of this time it's
just a breeze

do you still know him?
do you still know?
