

# Palisades, Better

Another day  
Another chance Im given to turn it back around  
Security  
I'm trapped in dysfunctional habits  
Watching the time slip away

Please don't say it's too late  
I'm done doing it my way  
I'm falling apart

I wanna feel better  
Never saw  
Never knew  
Never thought I'd ever fall this far  
Piece me back together  
I can't be torn forever  
My chance to find the answers  
I wanna feel

I'm drowning myself  
Along with all these memories  
I sink to the ocean floor

It lies inside the depths of you  
It lies inside the depths of me  
Please don't say it's too late  
I'm done doing it my way  
I'm falling apart
